Dear Joo Heng

In reviewing the results of the examinations of AY 97/98, I am impressed with your excellent performance in Mechanical & Production Engineering. You rank among the best in your year. On behalf of the School of Mechanical & Production Engineering and, in particular, your teachers, I congratulate you on your commendable performance.

We hope you will continue to find intellectual enjoyment and stimulation in your studies in the School. We shall follow with much interest your progress in the studies you undertake in this University.

With best wishes for further success.

Yours sincerely

  
Professor Lim Mong King  
Dean of School
