Dear Joo Heng

In reviewing the results of the examinations of AY 98/99, I am impressed with your excellent performance in Mechanical & Production Engineering. You rank among the very best in your year. On behalf of the School of Mechanical & Production Engineering and, in particular, your teachers, I congratulate you on your commendable performance.

We hope you will continue to find intellectual stimulation and satisfaction in your studies in the School. On it's part, the School will try to help you develop your talents to the full. We shall follow with much interest your progress in the studies you undertake in this University.

With best wishes for further success.

Yours sincerely

Professor Yue Chee Yoon
Dean of School
